“To say that your presentation was well received is an enormous understatement! I have never seen a speaker get so many “5’s” on their rating. I would highly recommend you to anyone searching for a fabulous keynote speaker. We loved having you for our First Annual Women’s Symposium. “

It has been a real pleasure to work with Carol Gardner for our Assistance League of Portland special event. Carol captured our audience with her story, with Zelda’s “Wisdom”, and with her “never give up” philosophy. This year we raised 35% more per person that last year. I believe that we can honestly attribute some of this increase to Carol. I would be pleased to recommend Carol Gardner to others needing an inspiring speaker with the perfect touches of humor.
